| Target group of learners | Underprivileged children in the town of Arnedo |
| Institutions involved | <ul style="list-style-type: none"> - Red Cross Youth - Francisca Bretón Foundation - Parish Caritas - EMKA - Arnedo Town Council |
| Goals | <ul style="list-style-type: none"> ● Offer sports scholarships to those who cannot access football because they cannot afford it. ● Integrate children with special needs into football. ● Offer a social wardrobe where unused clothes can be put to good use. ● Offer the possibility of training and activities with EFA to children with special needs and other children. |
| Description | <p>In June 2021 the Arnedo Football School presented a new social project called "No child without football".</p> <p>In this project in which they collaborate with the Red Cross Youth, the Francisca Bretón Foundation, Parish Cáritas, EMKA</p> |

| | |
|---|---|
| | <p>(local company) and the Arnedo Town Council, the aim is to carry out actions through football in favour of groups that work for the most vulnerable minors.</p> <p>The main actions to be carried out are to offer sports scholarships for those children who cannot afford and do not have access to football, to offer a social wardrobe where they can reuse unused or outgrown clothes and to offer the possibility to train and carry out activities together with the EFA to children with special needs and at risk of exclusion.</p> |
